CANADA TIP

Bring Your Own Reusable Bags

Many Canadian stores no longer provide free plastic shopping bags. Bringing your own reusable bag helps protect the environment and can save money. Some stores charge a small fee if you need a paper or reusable bag.

A Trip to the Grocery Store

Maria needs food for the week. She goes to a grocery store near her apartment.

First, she buys apples, bananas, milk, eggs, and bread. She checks the prices because she wants to save money. She also buys chicken and rice for dinner. At the checkout, the cashier scans the items. Maria pays with her debit card. The cashier gives her a receipt and asks if she needs a bag. Maria brought her own reusable bag, so she says no.

Maria spends \$48.75. She is happy because many items were on sale.
