A Day of Sightseeing in Ottawa

Last summer, Maria visited Ottawa, Canada's capital city. She started her day by walking to Parliament Hill, where she took many photos of the beautiful buildings. After that, she visited the ByWard Market and bought some local food and souvenirs.

In the afternoon, she explored the Canadian Museum of History. She learned many interesting facts about Canada's past and enjoyed the exhibits.

Later, she walked along the Ottawa River and watched the boats. Before going home, she stopped at a café for coffee and a sandwich.

Maria said it was one of the best days of her trip because she saw many interesting places and learned more about Canadian culture.
